*Seasons Greetings to all sub-Branch members and your families. May your Christmas be joyous, peace filled & full of family fun, friendship, food and frivolities!*

### President's Report

The end of the current Calendar Year is upon us. Sunday 31<sup>st</sup> December completes 2017 but also indicates Financial Year end for all RSL entities. So we are busy preparing year end financial reports and 2018 budgets.

On RSL NSW matters we can report the public enquiry conducted by Patricia Bergin SC has concluded and all who appeared have provided final verbal and written submissions. A full report will be available on 1<sup>st</sup> February 2018.

Meantime, changes are being made at RSL NSW and we suggest you should read the State President's latest report for more detail. For those who may not have internet access, we can provide a hard copy at our December General Meeting if required.

November and December are busy times of the year as we attend High School Year 12 presentations plus other Public School functions as part of our community service. This is a very pleasant duty which opens one's eyes to our wonderful young people's achievements and awareness of the RSL movement's objectives. The future of our country is indeed in good hands.

My thanks to fellow Committee members, lady volunteers, garden volunteers, photographer Darryl Bullock, Travel Officer Bob Connors and Club caterers for their continuing support and assistance since March this year. Thanks also to our Womens Auxiliary and Widows groups for their usual wonderful cooperation and goodwill. Finally to Denis, our RSL Club CEO and staff, our thanks for your ongoing cooperation.

As this is my last report for the year, I would like to take this opportunity to assure all members of your Committee's awareness of the need to conduct our sub-Branch affairs in a proper and professional manner at all times, on your behalf.

Best wishes for a joyous Christmas and a happy New Year to all. As always, call us if you are in need.

**John Scifleet**
